#### Please read the following paragraph:

Restoring the body and resolving specific complaints is an ongoing process that will take some time. It is important to understand that your diet and lifestyle directly impacts both your current state of health and your future state of health. My role is to educate you and to offer ideas and recommendations that may help improve your health. However, your health is your responsibility. Therefore, you must be willing to accept full responsibility for your health. Part of this responsibility will be the requirement to prepare more meals at home, eat healthier foods, and live a healthier lifestyle.

#### **Client Authorization:**

I understand that Bernard Rosen and Susana Rosen are not medical doctors, nor do they prescribe pharmaceutical drugs, nor do they provide medical diagnosis or surgery. They provide holistic nutritional consulting and education utilizing assessments, tests and counseling. The holistic health care philosophy is to do no harm, work on prevention, work on the root of the problem, and work on the whole person. I understand that holistic health care is not intended as diagnosis, prescription, treatment or cure for any disease, mental or physical, and is not a substitute for regular medical care.

I request that Bernard Rosen and/or Susana Rosen perform an evaluation and set up a program for the purpose of enhancing my health and education. Under the Ninth Amendment to the Constitution of the United States of America, I retain the right to freedom of choice in health care. This includes the right to choose my diet, and to obtain, purchase and use any therapy, regimen, modality, remedy or product recommended by the therapist, doctor, or any practitioner of my choice. The enumeration in this declaration of these rights shall not be construed to deny or disparage other rights retained by me, or my right to amend this declaration at any time.

It will be important that <u>I am involved</u> with my health care and health choices. I understand that all recommendations provided by Bernard Rosen and/or Susana Rosen are not intended as treatment or prescription for any disease, or as a substitute for regular medical care. It is important that I continue to communicate with all my doctors during our consultations. It is important that I understand that I am a partner in this process. By signing the form I agree and give Rosen Wellness, LLC my permission to release any information and/or reports to other healthcare professionals in regards to my care.

By signing below, I acknowledge that any dietary or supplemental suggestions made by Bernard Rosen and/or Susana Rosen are entirely nutritional in nature, and are not intended as the diagnosis, cure or treatment for any disease or ailment. I also acknowledge that my physician is my primary health care provider, and is responsible for supervising all changes in diet and nutrient intake that I make.

# I have read the statements above and understand completely and am willing to play an active role in achieving my health related goals:
